

SONIC TATTOO

how to book your appointment

At Sonic Tattoo we prefer you come in rather than call or book your appointment over the internet.

We assume our clients have a good idea of what they would like to get tattooed. If you are not sure and need some assistance then we would book a consultation with a tattoo artist to figure out your idea.

After you and the tattoo artist have finalized your design, it is at that point we book a appointment for to get your tattoo done.

All tattoo appointment require a minmum of \$50 deposit which will come off your total tattoo price.

You will loose this deposit if you dont give a 24 hr cancellation or rescheduling of your appointment. It 100% up to the artist if they decide to exercise this policy
